

Invitation for Limfjordsstævnet: World Cup in F2A and F2D

Aviator Aeromodellers hereby invites current and former model pilots in Denmark and throughout Europe for the Limfjordscompetition 2013.

This year, this tradition-rich tournament takes place Saturday 18 May and Sunday 19 May.

Competition rules follow FAI sporting code, and Danish rules for the national classes, **with the latest changes and additions from www.modelflyvning.dk**

The competition is the largest control line model flying events within a radius of 1000 km, with many participants of high class.

Rally hallmark is that "we're all doing it to have fun," although being fought at a high international level, there is plenty of room for beginners who want to sniff the international atmosphere.

It is as usual free to camp at the tracks in "rough", behind the clubhouse, space is limited and on a "first-come," basis, the conditions are primitive, but the clubhouse offers the basic facilities: WC and hot water.

The fight are for gold, silver and bronze medals, as well as hiking trophies to the winners.
